

AMENDMENTS TO THE CLAIMS

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

1-59 (canceled)

60. (original) A method of conducting a wagering game of chance on a gaming device, comprising:

providing a player with a plurality of mutually differing games of chance displayed on a single screen display of the gaming device;

providing the player with a first round of play in which to achieve a specific outcome in at least one of the plurality of mutually differing games of chance;

mutually concurrently playing the plurality of mutually differing games of chance to a specific outcome in at least one of the plurality of mutually differing games of chance; freezing play of the at least one of the plurality of mutually differing games of chance; providing the player with a second round of play in which to achieve a specific outcome in the remaining mutually differing games of chance; and

mutually concurrently playing the remaining mutually differing games of chance by the player to a specific outcome in at least one of the remaining mutually differing games of chance.

61. (original) The method of claim 60 wherein each of the first and second rounds of play comprise a predetermined number of plays or a predetermined time period in which to achieve a specific outcome in at least one of the plurality of mutually differing games of chance.

62. (original) The method of claim 61, further comprising resetting play of the gaming device if the player does not achieve a specific outcome in at least one of the plurality of mutually differing games of chance during the first round of play.

63. (original) The method of claim 61, further comprising resetting play of the gaming device if the player does not achieve a specific outcome in at least one of the remaining mutually differing games of chance during the second round of play.

64. (original) The method of claim 60, further comprising paying an award for each of the specific outcomes.

65. (original) The method of claim 64, wherein an award of an increasing amount is paid for each specific outcome achieved during play of the remaining mutually differing games of chance after the first round of play.

66. (original) The method of claim 60, wherein said providing a player with a plurality of mutually differing games of chance comprises providing the player with at least four mutually differing games of chance, and further comprising providing the player with at least a third and fourth round of play until a specific outcome is achieved in each of the at least four mutually differing games of chance.

67. (original) The method of claim 60, further comprising providing at least one other gaming device linked to the gaming device, the at least one other gaming device provided with the plurality of mutually differing games of chance displayable on gaming screen thereof, and further comprising permitting a player at the least one other gaming device to mutually concurrently participate in at least the first round of play.

68. (original) The method of claim 67, further comprising paying an award for each of the specific outcomes to the player achieving the specific outcome.

69. (original) The method of claim 60, wherein the plurality of mutually differing games of chance are selected from the group consisting of blackjack games, poker games, reel slot machine games, keno games, bingo games, roulette games, and craps games.
